

# GASTHAUS MARTINSHOF

## INVITATION - BEER GARDEN OPENING

Friday 26 April 2024 from 3 pm

Dear neighbours from lovely Riem,

We are opening our beer garden with the motto **“Die Ente grillt”**.

The opening will feature a grill station, where our chef will cook the finest delicacies, including regional chicken, duck and trout. And we'll spoil you with crisp salads, homemade obazda and baked potatoes with creative toppings, all freshly prepared in our beer garden.

We are very proud that all our ice cream is made in our in-house gelateria, without any preservatives, colourings or artificial flavourings. Carefully chosen regional, seasonal and, above all, fresh ingredients guarantee great flavour. Our selection of ice cream is available in the beer garden, or in a cone to take away.

Right next to St. Martin's Church, our beer garden is at the heart of picturesque Riem and it is very important to us to offer a place for our neighbours to meet and relax.

That's why our opening is dedicated to you. We would like to invite you to enjoy a free barrel of beer\*, which we will open on Friday 26 April at 3 pm. We look forward to spending the afternoon together, and to a sunny beer garden season with you.

Kind regards,  
Ayman Moneim and the team

\*free while stocks last. Other food and drink must be paid for.
