

MEET AT ALEXANDER PLAZA

The Classik Hotel Alexander Plaza – a sanctuary and your home from home. This charming boutique hotel, a former factory built in 1900, is right at the heart of Berlin Mitte, one of the city's hottest spots. The hotel is surrounded by the splendour of Germany's historic capital – with its charming streets, hip restaurants, fashionable bars, breathtaking art and extravagant fashion. The design of the Alexander Plaza playfully juxtaposes the listed building's art deco style with contemporary elements.
