

MEET AT ANTONIUS

The 54-room cult hotel is located in the picturesque Kunibertsviertel district in the heart of the Cologne, just a few minutes' walk from the city's main station, the Rhine promenade and all the sights. The historic building dates from 1904. It has been freshly renovated to make it the perfect base for a city break. Michelin-starred chef Eric Werner offers outstanding cuisine at the hotel's Augustin restaurant, while its idyllic courtyard is the perfect place to relax and socialise under the watchful gaze of St. Anthony.
